

Letterform Archive

The Friends of Calligraphy **50 YEARS**

SHOWTIME

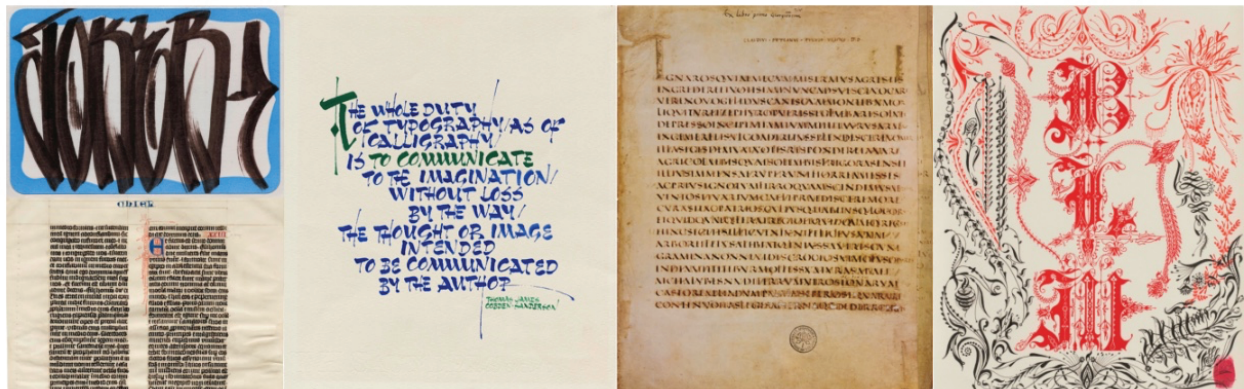

SATURDAY, SEPTEMBER 20, 2025

2PM-3:30PM

2325 3rd Street, Floor 4R, San Francisco

This is an in person event. It will not be recorded.

Rob Saunders and the staff at the Letterform Archive have invited Friends of Calligraphy members for a private tour and a close look at selected pieces in the collection.

Letterform Archive is celebrating their 10th anniversary throughout 2025, and this ties into the 50th anniversary that FOC just celebrated. We have many interests in common. LfA staff are eager to show us works of special interest to us. Our preliminary request list is long and includes: their cuneiform tablet, and whichever manuscript books, incunabulae, lettering instruction manuals, hand-lettering and calligraphy, artists' books, and manuscripts they think we'd like to see.

FOC's session is limited to 20 participants. To sign up, email Dean Robino at deanr@pacbell.net **no earlier than August 20, 2025**. Dean and Dorothy Yuki will reserve spaces in the order emails are received.

Please email questions to Dorothy Yuki: dotyuki@gmail.com or Dean Robino: deanr@pacbell.net.
